PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

Rule 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property or other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of

the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, or if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the paid fees shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principal, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¼ inches by 7½ inches. There shall be a marginal number every fifth line of each paper; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred

copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bills shall be reprinted by the promoters thereof.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

Every Petition for a Bill to incorporate a company shall state the name of the proposed company.

Petition signed by agents or attorneys must be accompanied by the authority of such agent, etc.

DOMINION ORDERS IN COUNCIL.

P.C. No. 917.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE ADMINISTRATOR ON THE 10TH JANUARY, 1930.

THE Committee of the Privy Council have had before them a report, dated 21st May, 1929, from the Minister of the Interior, stating that the Regulations governing the granting of licences and permits to cut timber on Dominion lands in the Prairie Provinces, in the Railway Belt in the Province of British Columbia, and in the tract of three and one-half million acres controlled by the Government of the Dominion in the Peace River District in the Province of British Columbia, provide that all timber cut must be manufactured within the Dominion of Canada.

The Chehalis Logging Company, Limited, of Port Moody, British Columbia, who are large operators, state that they have a certain percentage of overgrown fir logs, which are too large for the Canadian mills to handle, as they consist of logs with a top diameter of over 60 inches; and the Company have had to agree with the mills, in disposing of their ordinary fir output, to take back any logs of the above-mentioned size. It is claimed that on the American side there are one or two mills which, by reason of special appliances, are able to handle logs over 60 inches, and the Company have applied for permission to export such oversized logs.

This question was fully investigated some time ago, and the general consensus of opinion among the larger mills in the New Westminster District is favourable to the granting of the special privilege asked for, which opinion is confirmed by the Agent of Dominion Lands at New Westminster.

This permit, if issued, will be subject to royalty charges of \$3 per thousand feet, board measure, on logs grading No. 1, \$2.50 per thousand feet on logs grading No. 2, and \$2 per thousand feet on logs grading No. 3.

The Minister recommends that this special privilege be granted to the Chehalis Logging Company, Limited, and also any subsequent applications of a similar nature, for periods of six months, at the rates specified.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) G. G. KEZAR,
Assistant Clerk of the Privy Council.
To the Honourable
The Minister of the Interior. 39-ja23

P.C. No. 1905.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE ADMINISTRATOR ON THE 10TH JANUARY, 1930.

THE Committee of the Privy Council have had before them a report, dated 19th September, 1929, from the Minister of the Interior, submitting that the Regulations governing the granting of timber privileges on Dominion lands in the Prairie

Provinces and in the Railway Belt in the Province of British Columbia provide that all timber cut must be manufactured within the Dominion of Canada:

That Campbell River Mills, Limited, of White Rock, British Columbia, which is operating extensively in cedar timber on Licence Berths Nos. 50c, 55, 83, 158, 159, 160, 161, and 162, situated in the New Westminster, British Columbia, Lands District, has made application for permission to export cedar logs and represents that its application became necessary as the cedar market is absolutely glutted; that stocks of logs in the water have increased during the past four months by over thirty-two million feet; that it is almost impossible to dispose of the cedar logs, while the price is now from \$3 to \$4 less per thousand feet, hoard measure, than it was six months ago:

The Minister, after considering carefully the report of an officer of the Department well versed in actual existing local conditions, believes that an export privilege would be in the public interest, and he, therefore, recommends that the Company be allowed to export cedar logs for a period of six months from the date hereof, subject to dues as set out hereunder, which are in excess of the rates charged under the Regulations governing the disposal of timber cut from licence berths, the operations to be subject to such conditions as the Minister may determine, and the mills in the district to be first given an opportunity of acquiring any portion of the cut that may be required for manufacturing locally.

Rates of dues—

- Logs grading No. 1, \$3 per M. feet, B.M.
- Logs grading No. 2, \$2.50 per M. feet, B.M.
- Logs grading No. 3, \$2 per M. feet, B.M.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) G. G. KEZAR,
Assistant Clerk of the Privy Council.

To the Honourable
The Minister of the Interior. 38-ja23

P.C. No. 2535.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE ADMINISTRATOR ON THE 30TH DECEMBER, 1929.

THE Committee of the Privy Council have had before them a report, dated 30th December, 1929, from the Minister of the Interior, stating that application has been made to the Department of the Interior, on behalf of the City of Vancouver, Province of British Columbia, for a lease of certain property situate in Burrard Inlet, British Columbia, commonly known as Deadman's Island, comprising an area approximately 8.7 acres, for the purposes of a public park.

This island was transferred to the Dominion of Canada by the Imperial Government by Official Dispatch No. 39, dated the 27th March, 1884, and on the recommendation of the Minister of National Defence the administration of the property along with certain other lands was placed under the Department of the Interior by Order of Your Excellency in Council dated the 6th of April, 1925, P.C. 532.

The Minister is of the opinion that it would be in the public interest to grant this application, and, accordingly, he recommends that authority be granted for the issue of a lease of Deadman's Island aforesaid, which is available for the purpose in the records of the Department of the Interior, to the City of Vancouver, for the purposes of a public park, at an annual rental of one dollar payable in advance yearly for a term of ninety-nine years, renewable perpetually, upon the terms and conditions set out in the draft lease hereto attached.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

To the Honourable
The Minister of the Interior.
